3. A.S. Wadekar, "Grade-level participation in the AP curriculum", *IEEE Integrated STEM Education Conf., Full-length, Peer-reviewed Article, Princeton, NJ, 2018.*

Experience

Photographer in Residence, Town of Westborough (July 1, 2019 – June 30, 2020)

Document and preserve the history of the Town of Westborough through photographs. My responsibilities include curating about 100 photographs which capture the traditions and events of the town through the eyes of the children.

Intern, Town of Westborough Economic Development Committee (July 2018 - Present)

- *Propose and maintain data management pipeline to stimulate business growth in Westborough.*

Contributing Writer and Photographer, The Community Advocate Newspaper (April 2018 - Present)

- *Write informative articles, supplemented with pictures covering local events such as the Martin Luther King Jr. Community Celebration, Massachusetts Down Syndrome Congress' Buddy Walk and Harvest Fair.*

Workshop Organizer and Presenter, Raising the Awareness of Substance Abuse Among Youth (June 2019 - Present).

- *Making our youth cognizant of the adverse impact of substance, and resist peer pressure through role playing. Presented at local library, cultural events, and on a panel for KIND (Kids in Need of Defense).*

Workshop Organizer and Presenter, Introduction to Data Analysis (October 2017 - Present).

- *Teach data analysis skills to elementary and middle school students using real-life data sets such as NCAA March Madness Statistics. Presented on High School Science Day.*

Activities

President & Captain, Saint John's High School Mock Trial Team (2018 - Present)

- *Prepare and present arguments on criminal and civil cases, simulating the proceedings in a real-world courtroom. Led Saint John's High School to Regional Championship in 2018-2019, 2019-2020.*

Member, Saint John's High School National Honor Society (2019 - Present)

- *Tutor struggling students and athletes in all academic subjects, especially mathematics, science, French, and history.*

Skills

SurveyMonkey, Google Forms, R, Python and Excel for Quantitative Data Analysis

HTML, CSS, JavaScript, Node.js, MongoDB, React/Redux, Python, PHP, and SQL for Web Development.

Photography and working knowledge of Adobe Lightroom/Bridge/Photoshop Creative Cloud.
